

TH434

Series

Product Segments

Motor Controller

Features:

- Two motor control inputs
- Low voltage operation
- Rain sensor input standard
- Factory pre-programmed

Benefits:

- Users are able to simultaneously control up to 2 motors at one time
- Energy efficient

TH528-2 Motor Controller Kit

Designed and manufactured in Australia, the TecHome TH434 is a remote controlled 2 bank motor controller. Perfect for singular and dual motor control, the TH434 is easily integrated with TecHome's range of linear actuators.

General Features

Voltage	12V or 24CV DC
Dimensions	130mm x 68x 44mm
Maximum Motor Control	2
Protection Class	IP50
Operational Temperature Range	0°-50°C
Compliant to	FCC & CE
