

Choosing the right TecHome TV lift for you.

Step 1 Measure Your TV

Measure the height of your television (edge to edge - not screen size)

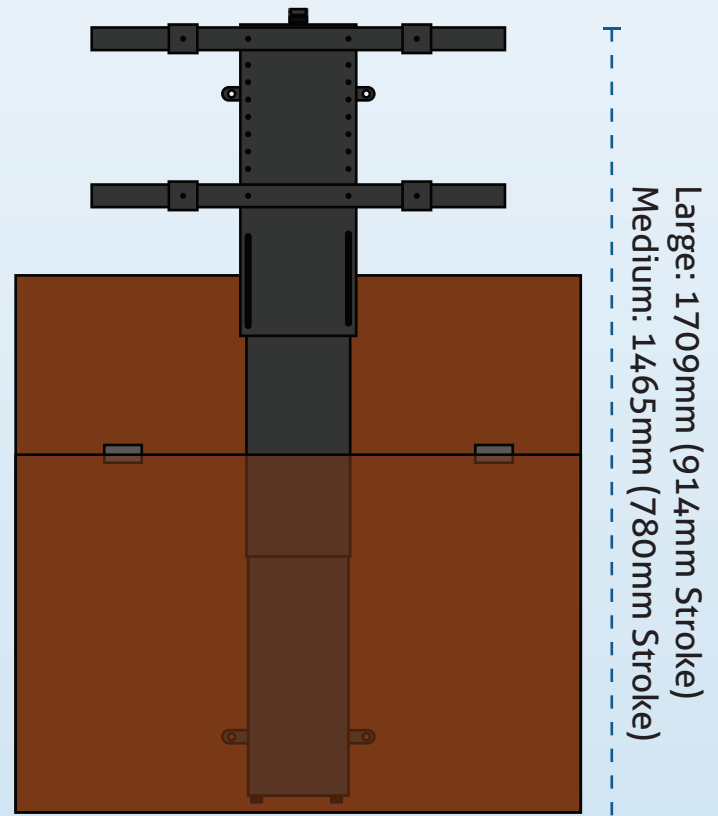

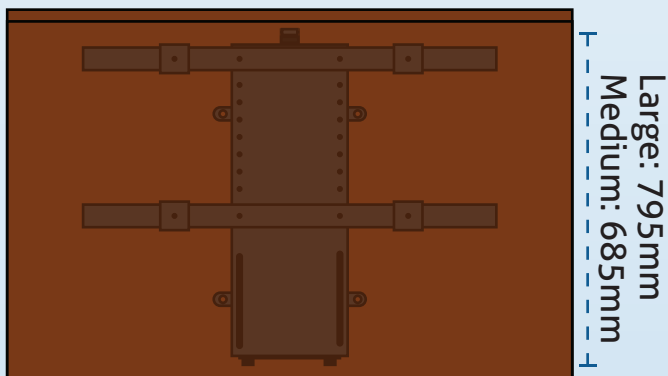

Step 2 Select Your TV Lift

Using your measured TV height, choose the appropriate TV lift for your application.

TVL3-M = TV up to **785mm** tall

TVL3-L = TV between **785 - 914mm** tall

Step 3 Order Your TV Lift

Contact us at (+61) 07 3297 9797 or www.techome.com.au to order your TV Lift now!
